Inspiring Communities - Recognising Success

We are proud to announce the date of this year's Tees Valley BME Achievement Awards 2018.

The Tees Valley BME Awards is a regular feature in the Diversity calendar as it builds momentum every year as one of the most successful showcase of talent and celebration Tees Valley plays host to. Join us for another year as we host this prestigious awards ceremony to be hosted by the Jury's Hotel in Middlesbrough, which will celebrate and recognise the wealth of achievement and talent across our BME Communities in the Tees Valley region.

The annual Awards provide a unique opportunity to raise the awareness of BME communities in the Tees Valley and draw attention to their outstanding achievements and successes in addition to creating a platform to inspire and promote community cohesion.

This event will bring together and honour a diverse range of individuals and groups; from those organisations working at the grass roots, to well established members of the community, newly emerging stars and of course our dynamic young community members.

Each year the awards capture the multicultural spirit of Tees Valley in what will be a fitting celebration to the many talented and committed individuals and groups in Tees Valley, many of whom have made a considerable contribution to the development of skills and provision in the region. The evening will begin with a drinks reception, followed by an international meal, key speeches by eminent dignitaries, spectacular entertainment and most importantly the awards presentations.

The opportunity to be part of the Awards ceremony will help you to raise the awareness of your organisation, demonstrate your commitment to BME progression and send a positive message, and commitment to working with diverse groups. Tees Valley, our sub-region will be a region where present and future generations have a high quality of life. It will be a vibrant, self-reliant, ambitious and outward looking region featuring a dynamic economy, a healthy environment and a distinctive culture. Aspiring younger members of the community, the Tees Valley BME Achievement Awards will play host to influential and prominent members of our sub-region who continue to make positive contributions to the wealth and success of Tees Valley being a vibrant and prosperous place to be associated with.

The aims of the Tees Valley BME Awards are to celebrate, showcase and highlight the significant contributions and attainment achieved by a range of individuals and groups with respect to economic, social and cultural development across the sub-region.

Be part of the experience, contact us to confirm your place and for more information. Limited availability, don't miss out!

Date: Friday 12th October 2018

Venue: Jury's Hotel, Middlesbrough TS1 1JH
